RE: Application of Carolina Water Service, Inc. for Adjustment of Rates and Charges and Modifications to Certain Terms and Conditions for the Provision of Water and Sewer Service; Docket No. 2017-292-WS

Dear Ms. Boyd:

At the hearing in the above docket, the Public Service Commission requested a late filed exhibit setting out fees charged for credit card payments to be submitted as Hearing Exhibit 10. Utilities, Inc. ("UI") provides the bill payment services for Carolina Water Company, Inc. (CWS). UI does not charge a fee for credit cards. A fee is charged and collected by First Billing Services as a third party provider of debit/credit and e-check services to customers who choose to pay using this payment method. The fee never gets passed to UI. Attached are the payment options and associated fees as found on the CWS web-site which I herewith submit as Hearing Exhibit 10.

By copy of this letter I am serving all parties of record.

If you have any questions, or if I may provide you with any additional information, please do not hesitate to contact me.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
